

## **BIO**

Susana Cabrera (1950) was born in Buenos Aires.

She studied psychiatrist and has been in contact with art since 1974. She believes that both activities have a connection.

Throughout her artistic development she used different materials, starting with charcoal all through sculpture in wood, iron and alabaster. Nowadays she is working with photography, inks and a mixtura of textile techniques.

Since 2013 Cabrera studied jewelry with Laura Saud. She exhibit her jewelry in Centro Cultural Federal de Pilar (2016) and Centro de Diseño Contemporáneo Laura Saud (2017)
